IHF Meeting with Top Nations

- Invitation -

Dear Handball Friends,

Two years ago the International Handball Federation held the I IHF Meeting with Top Nations, which proved a fruitful platform to better exchange opinions on different subjects and to listen to different views and opinions from all stakeholders involved. The main target of the meeting is to discuss how to join forces to further develop handball and discuss methods of cooperation within the IHF family.

We would herewith like to extend our heartfelt invitation to you to attend the II IHF Meeting with Top Nations, which will take place

**in Basel / IHF Head Office -
on 8th October 2012**

Arrival should be effected on 7th October or early morning of 8th October; departure could be in the late afternoon / early evening of 8th October 2012.

Please be informed that I intend inviting the presidents of clubs which have national team players from your federation under contract. Could you please let me know if you support this initiative and propose me a list of club presidents and their contact information from your federation.
