**IHF Meeting with European Top Nations
- Invitation -**

Dear Handball Friends,

Following earlier IHF Meetings with European Top Nations at the IHF Head Office in Basel, the most recent meeting was held at the fringes of the 2015 Men's World Championship in Qatar, which again proved a fruitful platform to better exchange opinions on different subjects and to listen to different views and opinions from all stakeholders involved.

Based on the success of earlier meetings, we would herewith like to extend our heartfelt invitation to you to attend the

IHF European Top Nations Meeting
to be held at the
IHF Office in Basel
on 20 May 2016

The main target of the meeting is to discuss how to join forces to further develop handball and discuss methods of cooperation within the IHF family.

Kindly be informed that arrival should be effected on 19 May or early morning of 20 May 2016. Departure could be in the late afternoon / early evening of 20 May 2016.

As it has been common practice at previous meetings, I also intend to invite the presidents of clubs which have national team players from your federation under contract. To that end I kindly ask you to propose me a list of presidents and their contact information from your federation no later than 02 May 2016.
